

Cleaning Solution

CATTLE TOWELS

The cost of one-use paper towels range from \$0.016 to \$0.024 per towel or \$11.68 to \$17.52 cow/year. Cost of disposal of the paper towels was not included. Thus, a reusable udder cloth system is 3-4 fold more economical than purchase of paper towels.

HOW DOES THE CENTURY SOLUTION WORK?

- Purchase or rent towels from Century
- Towels are laundered on a weekly basis using hot water, bleach, and hot air drying, then wrapped and sealed in plastic to prevent any contamination
- Fresh towels are delivered weekly, preventing waste, and lowering costs!
