Comfort Flow Grit

Comfort Scrape Grit

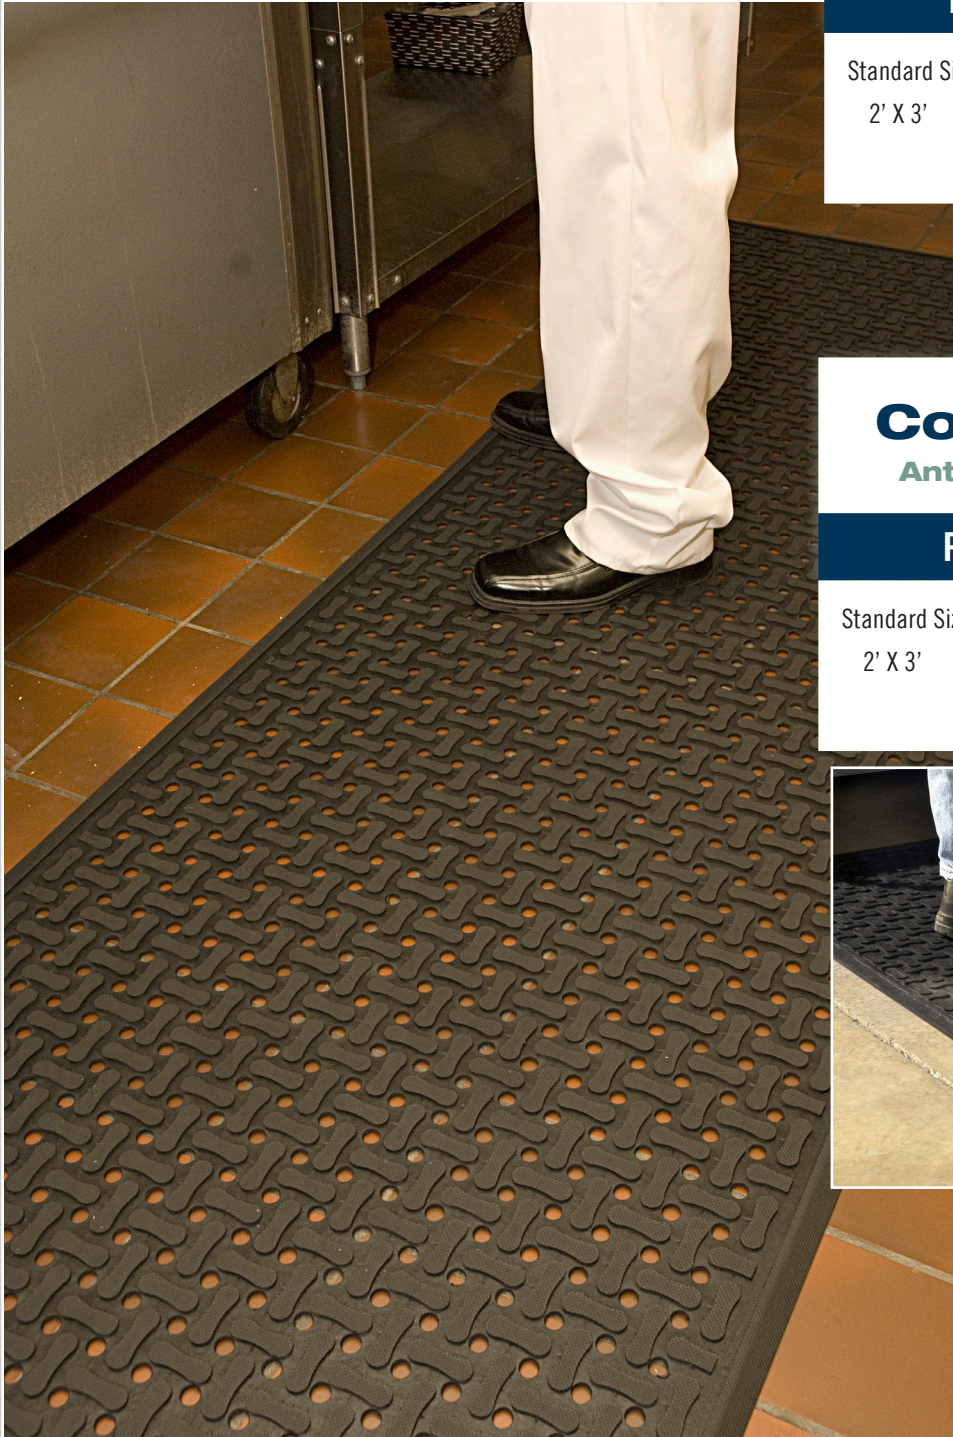

Comfort Flow and Comfort Scrape mats are constructed with high-density closed-cell nitrile rubber foam cushion to provide excellent anti-fatigue properties. These mats are recommended for kitchen and industrial applications. Comfort Flow mats feature drainage holes that allow liquids to flow through.

Comfort Flow Grit and Comfort Scrape Grit mats feature an added aggressive silicon carbide anti-slip top surface.

- **Grease/oil and chemical-resistant**
- **Odor resistant** - anti-microbial treated for lifetime protection against odors and degradation
- **Welding safe**
- **Safe** - beveled edges provide a safe transition from mat to floor; certified slip-resistant by the National Floor Safety Institute
- **Commercially launderable**
- **Lightweight and flexible** for easy handling and cleaning
